## "All Things Holy": An Art Exhibition – Terre Britton

Indie It Gal | June 1, 2013 | 3 comments

Terre Britton, a great supporter of indie art and a social networking friend of mine, is having her first art exhibition titled "All Things Holy". She was awarded the honor of a solo exhibition when she won Best of Show for "The Green Vase," in September, 2012, at Artel Gallery, Pensacola, FL. Most of the work to be on display has been created since that date. Her work is breathtakingly vivid, and here on Indie It Press we have featured a few of her pieces. I want to do a shout-out to my friend Terre and say congratulations! Terre is featuring her new recent work as well and if you are traveling around Pensacola, Florida, stop in at the Artel Gallery from June 4th – July 12th, her work is a must see!

Check out her website [Breathing Art](#) and take a look at the talent that is

Terre Britton.
